

ERIK BARE
Digital Product Designer

I'm a creative professional with a background in Art Direction. I've gained the ability to consult on concepts that meet business requirements through strategic competency. My passion is to create experiences that people will connect with, and approach problems with a unique perspective. I'm highly detail oriented with an emphasis on UX/UI design.

RECOMMENDATIONS

SHANE GRUSH

Team Detroit / GTB, Grush Audio

“Long story short, Erik is an exceptional guy and creative. His skills and creativity are top notch. Throw those details on top of his willingness to “get the job done no matter what” and you’ve got a very, very valuable resource.”
